19W Class All-in-One PC

Features

The Face of Change

Several easy-to-change, stylish faceplates are included with the AOC M92. Each one gives the elegant M92 a whole new look. Choose from Charcoal, Titanium, Plum, Burgundy, Azure, Timber and more. Change M92 to match your room, your clothes or even your mood!

Great audio, no clutter

The thin body of the M92 cleverly disguises two Professional SRS Premium Sound certified 3-watt speakers that deliver clear audio for web surfing, multimedia and home entertainment, without extra cables. The included audio equalizer software gives you the sound control for a perfect audio experience.

Energy-saving Intel® Atom N270

The new Intel® Atom™ processor has been specially designed for the low-power, compact and energy-saving computers of the future.AOC M92 balances performance with efficiency, needing just 35 watts under full operating load – much less than the 200 watts a typical desktop PC consumes.

Space-saving VESA Mount

The AOC M92's standard VESA V91 mount makes it easy to attach to a wall or above a desk*. Move the computer out of the way and into any convenient location.

Smooth access to DVDs and CDs

The M92's slot-loading SuperMulti drive handles DVD and CD media without an awkward CD tray. Easily slide a DVD or CD into the M92 for quick access to your favorite songs or movies. Rip CDs to your media player, watch your favorite DVD or burn a copy of your home movie – the M92 can do it all.

PC One Stop Shopping

Don't hassle with purchasing extra peripherals, devices or cables – the M92 includes a keyboard and mouse and is ready to run out-of-the-box.

Built-in Webcam and Microphone

Video chat with your friends and web conference with your colleagues using the integrated 1.3 megapixel webcam and built-in microphone. With its integrated professional speakers, the M92 is fully ready for videoconferencing. No headset necessary!

Multimedia Card Reader & 4 USB Ports

The AOC M92 includes 4 easy-to-access high-speed USB ports and an integrated memory card reader for easy management of all your photos, music and files. Connect your digital camera, phone, MP3 player, USB memory stick or memory card and transfer files effortlessly.

Wi-Fi equipped

Integrated Wi-Fi gives you instant connectivity to your Wi-Fi network. Get online quickly and easily anywhere your Wi-Fi signal reaches.

HDD/RAM Upgradable

Rear cover can be detached for easy installation and upgrade of hard-disk and memory (HDD/RAM upgrade should be perfomed by AOC authorized distributors).

Preload Microsoft Windows® XP

Run the applications you know on the system you know. Windows XP pre-installed on the M92 delivers an easy-to-use system and timely updates for safety and performance. AOC recommends Windows® for everyday computing!
